

23

This technical drawing illustrates a bridge structure, possibly a truss bridge, viewed from a side elevation. The main components include:

- Truss Members:** A central vertical member is connected to two diagonal members that meet at a central point. These are further connected to horizontal members at the top and bottom.
- Deck:** A horizontal line represents the bridge deck, supported by the truss structure.
- Supports:** The bridge is supported by two main vertical supports, one on each side. These supports are connected to a base structure.
- Annotations:** Various letters and numbers are used to label different parts of the structure, such as 'A', 'B', 'C', 'D', 'E', 'F', 'G', 'H', 'I', 'J', 'K', 'L', 'M', 'N', 'O', 'P', 'Q', 'R', 'S', 'T', 'U', 'V', 'W', 'X', 'Y', 'Z', '1', '2', '3', '4', '5', '6', '7', '8', '9', '10', '11', '12', '13', '14', '15', '16', '17', '18', '19', '20', '21', '22', '23', '24', '25', '26', '27', '28', '29', '30', '31', '32', '33', '34', '35', '36', '37', '38', '39', '40', '41', '42', '43', '44', '45', '46', '47', '48', '49', '50', '51', '52', '53', '54', '55', '56', '57', '58', '59', '60', '61', '62', '63', '64', '65', '66', '67', '68', '69', '70', '71', '72', '73', '74', '75', '76', '77', '78', '79', '80', '81', '82', '83', '84', '85', '86', '87', '88', '89', '90', '91', '92', '93', '94', '95', '96', '97', '98', '99', '100'.
