**JOIN THE BLOC :
ANTI-NUCLEAR,
AGAINST TECHNO-
FASCISM
AND DATAS CENTERS
@ CLIMATE MARCH**

Arizona is reviving its nuclear power plants, to fuel its future all-digital, techno-fascist society, with a truly terrifying militaristic agenda.....

ANTINUKE RESISTANCE is back, join it !

Towards a radical ecology
far beyond a reformist
green transition

Against civil and military nuclear power,
atomic bombs,
ecocide and genocide

Against their world, their wars,
their surveillance, and the colonial
extractivism that this requires

**STOP TECHNOFASCISM !
STOP EXTRACTIVISM !
NO TO DATA CENTERS !
NO TO IMPERIALISM
AND WARS !**
